

# Important information from the QSuper Board

**This notice is to inform members of important information from the QSuper Board about regulatory and product changes to the QSuper Income account.**

## Changes to reduce our administration fee

In line with our commitment to keep fees low, from 1 July 2018, we reduced our administration fee from 0.18% to 0.16% per annum.

Further, from this time, the administration fee cap also changed from \$1,000 to \$900 per annum. From 1 July 2018, any administration fees you pay on your Accumulation and/or Income account/s over the cap of \$900 in a financial year (that's the combined figure for all of these accounts) will be rebated back to you in July of the next financial year, as long as you still have an account with QSuper at the time of the refund.

## Changes to Self Invest

We are expanding our exchange traded fund (ETF) offering in our Self Invest option available within Accumulation and standard Income accounts. To give you more choice, we are adding two new ETFs to the range available on the Self Invest platform. The new ETFs are iShares Global Consumer Staples ETF and iShares Global Healthcare ETF. More information about these ETFs can be found at [qsuper.qld.gov.au/selfinvest-etfs](http://qsuper.qld.gov.au/selfinvest-etfs). This change was effective from 1 July 2018.

## Change to Socially Responsible investment option

Please note that the asset allocation range for cash in the Socially Responsible investment option changed effective from 27 November 2017. This option now has a cash allocation range of 0 – 20% (previously 0 – 15%).
