

Employer Certification of Employment Details for Defined Benefit Account Holders

How to use this form

If you're a Queensland Government employer, use this form to let us know we need to close an employee's Defined Benefit account. For example, they might have stopped working for the Queensland Government, reached age 75 years, or changed to casual employment.

Please complete in **BLOCK** letters, using blue or black ink.

1 Employee's details

Title Employee's first name

Employee's surname

Employee's payroll number Employee's date of birth

2 Employee's salary

Your former employee's salary details are needed to confirm salaries previously reported to us. If your employee was part-time, **please provide their full-time equivalent salary**.

Your employee's base salary should generally only include higher duties if they had been on a higher salary for a continuous 12-month period passing through two 1 July periods.

For example, Jane's base salary is A04 and she starts relieving in an A06 position from 1 May 2019. Jane continues on higher duties until she finishes her employment on 9 August 2020. For superannuation purposes, her 1 July 2019 salary would be her A04 salary, and her 1 July 2020 salary would be her A06 salary.

Please detail the employee's base salary (plus approved allowances¹) for superannuation purposes at 1 July for the last two years of employment:

Year (yyyy)	Fortnightly salary
1 July	\$ <input type="text"/>
1 July	\$ <input type="text"/>

3 Employee's termination details

Date of termination (dd/mm/yyyy)

Type of termination

- Left voluntarily (including resignation and retirement)
- Involuntary termination for reasons other than dismissal (including redundancy, early retirement, retrenchment, contract end, and termination of contract)
- Final day of permanent employment (employee is changing to casual employment²)
- Dismissal
- Retired ill health
- Deceased
- Other (e.g. reached age 75)

¹ A list of approved allowances can be found on the QSuper website or call us on 1300 367 845. ² Only full-time or permanent part-time employees are able to contribute to a Defined Benefit account. If your employee is changing to casual employment, please ensure contributions are made to an Accumulation account and the termination date you provide is their last day of full-time/permanent part-time employment.

4 Details of final contributions or adjustment

Please tell us the pay period that the **final contribution** or adjustment was, or will be, made to your employee's Defined Benefit account?

Pay cycle ending date (dd/mm/yyyy)

Please tell us the final contribution or adjustment amounts for the above period, indicating whether the amount is a positive (+) or negative (-) figure. Negative amounts reflect a recall of contributions. These amounts should be divided between standard, voluntary, and ordinary time earnings (OTE) top-up amounts. Please note that this is not the compulsory employer contribution to the Defined Benefit account.

+ OR -		
Final employee standard contribution or adjustment		\$
Final employee voluntary contribution or adjustment		\$
Final employer OTE top-up contribution or adjustment		\$

Please provide the details of any leave without pay that lasted longer than 10 working days in the last two years.

Leave start date (dd/mm/yyyy)	Leave end date (dd/mm/yyyy)

5 Checking your attachments

If your employee has worked in higher duties, taken extended leave without pay, or you need to provide us with allowance details, please attach any additional documentation that explains their employment history.
