Under the *Superannuation Industry (Supervision) Act 1993*, your super fund is authorised to collect your tax file number (TFN), which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. If you transfer your super to another fund we may disclose your TFN to the other super provider unless you tell us not to in writing. It is not an offence not to quote your TFN. However, providing your TFN to your super fund will have the following advantages (which may not otherwise apply):

- Your super fund will be able to accept all types of contributions to your account(s)
- The tax on employer contributions to your super account(s) will not increase
- Other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your super benefits
- It will make it much easier to trace different super accounts in your name so that you receive all your super benefits when you retire.
