

QSUPER AND SUNSUPER SET DATE FOR MERGER

Attributable to a spokesperson

“Since signing the Heads of Agreement in March, we have progressed our plans to create a \$200 billion superannuation fund, headquartered in Queensland, open to all Australians. To ensure the success of our planned merger, we have revised the target merger date to November 2021. This is six weeks later than the original objective announced in March, a reflection of the size, scale and complexity of the transaction which is intended to benefit 2 million members. Trustees of each fund believe this is in the best interests of our combined membership, to ensure a seamless experience.”
