

Consolidating Your Super With QSuper

Take control of your super

If you've ever changed job, moved house, or even changed your name, you might have more than one super fund. That makes it difficult to keep track of how much you actually have. By consolidating all your super into one account, you could maximise your investments and potentially reduce the fees you are paying.

Before you consolidate

We have made it easy for you to get your super together in the one place, and we don't charge you any fees to consolidate.

Before you consolidate your super accounts, consider if the timing is right and if you will lose access to benefits such as insurance or pension options, or if there are any fee or tax implications.

If you have insurance cover with another provider, you may be able to transfer your cover to QSuper by using the Transfer My Cover From Another Insurer form. You will just need to make sure your transfer of cover is complete before you consolidate your super. If your transfer is approved, you won't have to re-serve any waiting or pre-existing exclusion periods.

How to consolidate your super

Log in to Member Online at memberonline.qsuper.qld.gov.au and provide us with the details of your other super fund/s and we will do the rest. We will need to have your tax file number (TFN) before we can search for your lost and any other super. If you haven't already provided it to us, you can also do this in Member Online.

Alternatively, you can fill out a Consolidate with QSuper form. The form is at the back of this factsheet. If you have more than one account, you can download another copy from our website, or you can call us to request additional copies.

We then contact your other super fund/s and request the transfer to your QSuper account. We will let you know when we've finalised your request.

If you choose to use your other fund's form to organise the transfer, you will need to provide your member number and the following details about us:

- ABN: 60 905 115 063
- Unique Super Identifier (USI): 60 905 115 063 001.

What happens next?

We will add your super to your QSuper account and send you a statement showing your balance each year. Or, you can view your balance at any time with Member Online. If you haven't already signed up, it's easy. Visit our website at qsuper.qld.gov.au and follow the prompts.

If you want to know more about your super, from your contribution options through to investment options, read our Accumulation Guide on our website, or call us to request a copy.

Consolidate With QSuper

When to use this form

Complete this form if you have another superannuation account (including an SMSF) and would like to transfer part or all of the money from that account into your QSuper Accumulation account. If you want to transfer from more than one account, please complete section 2 in full.

If you would prefer to do this online, you can combine your other super money into QSuper through Member Online at memberonline.qsuper.qld.gov.au or search for your other super at my.gov.au

If you currently only have a QSuper Income account and/or Lifetime Pension, you will need to open a QSuper Accumulation account and combine your super into that account. Then you can either restart your Income account or open a new Lifetime Pension using that money. Please see the Product Disclosure Statement for Income Account and Lifetime Pension for more information.

You can't use the form to transfer an overseas pension fund to Australia. For information about your options, please see our Transfer of Overseas Pension Funds factsheet available at qsuper.qld.gov.au/factsheets or call us to request a copy.

For more information about how to transfer your super to QSuper, go to qsuper.qld.gov.au/consolidate or call us on 1300 360 750.

Please complete in **BLOCK** letters, in blue or black ink.
