Part 2 Contributions

Division 1 Contributions by officers

93 Commencement of contributions

- (1) Subject to this chapter, every person who is an officer shall contribute to the fund until the last day of the fortnightly pay period preceding the day on which the officer attains the age of 65 years or employment as an officer sooner ceases.
- (2) **Contributions to be paid periodically**

The contribution to be made by a contributor to the fund shall be payable periodically at such intervals as may be prescribed and shall be deducted from the salary payable to the contributor accordingly.
- (3) Until some other periodical interval is prescribed such contribution shall be payable by and be deducted from the salary of the contributor fortnightly.
- (4) All deductions made from the salaries of officers in respect of contributions to the fund shall be credited thereto.
- (5) Any amount of the contributions and additional payments prescribed by section 100(6) to be made by a contributor not paid by deduction from the contributor's salary as prescribed by subsections (2) and (3) shall be paid in such manner as the board directs and, if directed by the board, may be deducted from the contributor's salary in addition to the deductions from the contributor's salary as prescribed by subsections (2) and (3) but the board may determine that any such amount not so deducted and not otherwise recovered by the board be recovered by reduction of the amount of benefit payable upon a claim made by or derived from the contributor, whereupon any such amount of contribution shall be deemed not to be due and unpaid.
- (6) Notwithstanding subsections (2) to (5), the board may recover by action as for a debt any amount of the contributions or additional payments to be made by a contributor which is due and unpaid.
- (7) For the purposes of subsections (5) and (6), the amount of any unpaid contributions and additional payments shall be the aggregate of the amount thereof due and unpaid and of the interest thereon which would have accrued to the fund and the consolidated fund had the same been duly paid.
- (8) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum equal to the aggregate of contributions and additional payments, whether paid or in arrears, payable by the contributor to the fund or the consolidated fund, to the date of such determination accumulated in respect only of contributions payable by the contributor to the fund at the

rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid.

Editor's note—

Superannuation Acts Amendment Act 1987 was assented to on 23 April 1987.

- (9) Where a person ceased to be an officer within the meaning of section 92 but before the expiration of 1 month after so ceasing again becomes such an officer, the person may, where the board so approves (whether subject to conditions or unconditionally) on the written application of that person, be permitted to contribute to the fund in respect of the period between so ceasing to be an officer and again becoming an officer and where with the approval of the board a person is permitted to contribute to the fund under this subsection that person shall, for the purposes of this chapter be deemed to be and to have been an *officer* within the meaning of section 92 during the period in respect of which the person so contributes and this chapter shall apply in relation to the person accordingly.

Division 2 Scale of units

94 Salary for the purposes of this division

- (1) In this division—
salary, in relation to an officer, means the fortnightly salary of that officer.
- (2) The fortnightly salary of an officer who is paid salary at a rate other than a fortnightly rate of salary shall be ascertained as prescribed.
- (3) Different such prescriptions may be made in respect of officers included in different classes of officers.

- (1) Subject to this chapter, contributions by an officer shall be in respect of units of annuity, units of incapacity and, in the case of a male officer, units of assurance benefits as respectively defined by sections 111, 113 and 116, and the number of units of those benefits respectively in respect of which an officer shall contribute is the number specified in schedule 2, column 2 opposite to the salary group in which his or her salary falls.
- (2) Where, at the time when an officer becomes a contributor, he or she has attained the age of 40 years, but is under the age of 60 years, he or she shall contribute to the fund—
- (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the

number specified in schedule 2, column 2 opposite to the salary group within which his or her salary falls; or

- (b) if the sum specified in paragraph (a) exceeds the rate of 5% of his or her salary such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the date on which he or she becomes a contributor, elect to contribute.
- (3) If the salary of a contributor is increased and, by reason of that increase, falls within a salary group in schedule 2, column 1 higher than the salary group in which it fell prior to the increase, the following provisions shall apply—
- (a) if the officer has attained the age of 40 years, but is under the age of 60 years, and is contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to—
 - (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such a sum as will provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
 - (b) if the officer has attained the age of 40 years, but is under the age of 60 years, and is not contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to—
 - (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such sum as will add to the number of units for which he or she is contributing the maximum number of additional units for which he or she could have contributed if he or she had been a contributor to whom paragraph (a) applies; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later

than 6 months after the date on which his or her salary is increased, elect to contribute;

- (c) if the officer has attained the age of 60 years he or she may elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this chapter to a number not exceeding the number specified in column 2 opposite to the salary group in which his or her increased salary falls, but unless he or she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled or required to increase his or her contribution by reason of such increase in salary;
 - (d) however, an officer to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
 - (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls.
- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—
- (a) upon which the contributor's salary is increased; or
 - (b) from which the contributor's salary is increased;
- whichever is the later.
- (5) Any increased contribution payable in pursuance of subsection (3)(c) and (d) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of an officer falls within the salary group, exceeding \$450.20 set out in schedule 2, column 1, the number ascertained in accordance with the formula in column 2 set opposite that salary group shall, with respect to that officer, be deemed to be the number specified in column 2 opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in schedule 2, column 2 opposite to the salary group, exceeding \$450.20 in column 1—
- A denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

- (8) For the purposes of contributions of officers in accordance with schedule 2 as inserted by the *Public Service Superannuation Act Amendment Act 1969*, the salary of every officer who is a contributor at the commencement of that Act shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 opposite to the number in column 2 that was the number specified in schedule 2, column 2 immediately before the commencement of the *Public Service Superannuation Act Amendment Act 1969* opposite to the salary group in which his or her salary fell immediately before the commencement of that Act and this chapter shall apply accordingly.

Editor's note—

Public Service Superannuation Act Amendment Act 1969 commenced 30 December 1969 (see 1969 No. 19s 2).

96 When officer may voluntarily increase contribution

- (1) Any officer who is not contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
- (a) the number thereof specified in schedule 2 opposite to the salary group in which the salary of the officer making the election falls; and
- (b) the number thereof for which such officer is contributing;

but an officer shall not be entitled or permitted to increase, pursuant to such an election, the officer's contribution to the fund for incapacity benefit or assurance benefit to a number of units thereof in excess of the number or increased number of units of annuity benefit for which the officer is a contributor or, as the case may be, would become a contributor pursuant to such election.

- (3) Unless exempted by the board therefrom an officer shall, before at any time increasing the amount of contribution to the fund under this section, be medically examined by a medical practitioner.
- (4) An officer shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such officer are such as would justify the officer being then accepted as a contributor.
- (5) Any increased contribution under this section shall, subject to subsection (4), be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the officer making the election.

97 Power of board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt an officer wholly or partly from the requirement imposed upon the officer by this chapter to contribute or at any time to increase the amount of the officer's contribution to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that officer shall, unless the board wholly or partly exempts the officer from so doing, pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts the officer from so doing, the officer concerned shall pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (4) In the case of any officer (including an officer to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in the officer's case by this chapter, the payment which the officer would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for himself, herself and his or her family, or that continued contributions for the number of units for which the contributor is contributing will cause the contributor undue hardship, or that for any other reason which the board deems adequate the contributor should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which the contributor is contributing.
- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1.25% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
 - (a) in a case where the contributor is contributing under section 96, or that section as applied by section 155, for units of benefit—those units if the contributor nominates those units as the units to be so surrendered;
 - (b) in a case other than one referred to in paragraph (a)— those units for which the contributor last began to contribute.

98 Officer reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in schedule 2, column 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under this section shall surrender first the unit or units for which he or she last began to contribute.
- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under this chapter.

99 Units of benefits to be contributed for in equal numbers

- (1) At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.
- (2) This section applies subject to section 103(3) and parts 4 and 5.

100 Period for which contributions are to continue

- (1) Except as prescribed by this section, an officer shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay period last preceding the day on which—
 - (a) he or she ceases to be an officer; or
 - (b) he or she attains the age for retirement; or
 - (c) his or her service as an officer, ascertained as prescribed by section 176 of chapter 5 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or absence from duty.

-
- (2) Where absence from duty referred to in subsection (1), other than with leave of absence without salary by reason of incapacity, is for a continuous period of 14 days or more (whether or not working days) the officer shall, unless the officer elects pursuant to subsection (3), in addition to continuing to contribute to the fund as provided by subsection (1) pay to the consolidated fund, in respect of the period of absence, the amounts that the officer's employer would be required to pay for the officer under section 29 of the *Superannuation (State Public Sector) Act 1990*, but for the absence.
- (3) A contributor who would be required to pay contribution to the consolidated fund pursuant to subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of absence; and
 - (b) the board shall waive the payments to the consolidated fund that would be required by that subsection to be made by the contributor; and
 - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable by the officer.

 - (i) a child of a divorced wife who is not the issue of the person; or
 - (ii) a child of a de facto partner who has separated from the person, who is not the issue of the person.
- (3) This section also applies to a child of a person if—
 - (a) the person has converted into a lump sum, under section 114, a benefit to which the person was entitled because of an incapacity; and
 - (b) the incapacity was caused by a medical condition (the *primary medical condition*); and
 - (c) the person dies within 1 year after the day of payment of the benefit; and
 - (d) in the opinion of the board, the death was caused by—
 - (i) the primary medical condition; or
 - (ii) a medical condition related to the primary medical condition; and
 - (e) when the person stopped being a contributor, the person was contributing for at least 4 units of assurance benefit under this chapter.

121 Amount of additional assurance benefit

- (1) In respect of each child, other than a child mentioned in section 120(3), the amount of additional assurance benefit shall be—
 - (a) if a person who, in the case, is or was a widow entitled to assurance benefit pursuant to division 4 is living—at the rate of \$50 per fortnight adjusted in accordance with the cost of living adjustment provided for in section 133 from and including the first pay-period that occurs wholly in August 1987; and
 - (b) in any case other than a case to which paragraph (a) applies, including the case of a child who at the passing of the *Superannuation Acts Amendment Act 1984* was entitled to additional assurance benefit under the *Public Service Superannuation Act 1958*, section 36(1)(b)—at a rate in accordance with the following table in respect of each unit of assurance benefit for which the person through whom the entitlement to additional assurance benefit arose or arises was contributing when he died or otherwise ceased to be a contributor—

Table

1 child	\$2.56 per fortnight
2 or more children	\$3.84 per fortnight divided by the number of children in respect of each child.

- (2) However, each child who is entitled to additional assurance benefit under subsection (1)(b) shall be paid a fortnightly rate so that, when that rate is added to any rate of pension to which the child is entitled under chapter 5, the total rate payable shall be at least equal to twice the rate that the child would have been paid had the child been a case to which subsection (1)(a) applies.
- (2A) The amount of additional assurance benefit for a child mentioned in section 120(3) is the amount mentioned in subsection (1)(a).
- (3) **Payment of additional assurance benefit**
- Unless the board otherwise determines, the additional assurance benefit shall be paid in a case to which subsection (1)(a) applies, to the person who is or was the widow referred to therein and, in any other case, to the guardian of the child.
- (3A) For a child mentioned in section 120(3), the additional assurance benefit must be paid to the guardian of the child.
- (4) In any case where the board deems necessary for the better support and education of the child concerned the additional assurance benefit, or any part thereof, shall be paid to such individual as the board determines.
- (5) Where by reason of the death of a contributor or a person in receipt of benefit the only entitlement derived through him is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1984* and before the passing of the *Superannuation Acts Amendment Act 1987* the amount of benefit payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving his or her entitlement through the contributor or person in receipt of benefit) under this section for a period of 5 years calculated at the rate at which a pension was payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or person in receipt of benefit) at the date when the entitlement to the additional assurance benefit commenced.
- (6) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of benefit paid in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of benefit payable since the time when the entitlement commenced) is less than the amount that would have been payable under section 115 to the widow of the person through whom the

entitlement is derived, had he left a widow upon his death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

 - (b) in the case of the person in receipt of incapacity benefit having had the person's employment terminated by reason of the incapacity—take all practicable steps to find employment for that person as an officer in the person's or its employment.
- (2) If—
 - (a) in the case of a person in receipt of incapacity benefit being absent from duty with leave of absence without salary—the board has pursuant to subsection (1) informed the person, body or authority by whom that person is employed as an officer as prescribed by that subsection and that person has not resumed such duty; or
 - (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity benefit at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity benefit and the person fails to accept that employment;

the board may cancel that person's incapacity benefit and thereupon it shall cease to be payable.
- (3) Where the board cancels a person's incapacity benefit it shall forthwith inform the person in writing of the cancellation.
- (4) Where a person's incapacity benefit is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions to the fund accumulated from 1 July 1990 at the net earning rate of the fund compound less an amount certified by the actuary to be attributable to the provisions of incapacity benefit.
- (5) If at any time it appears to the board that any person who is in receipt of incapacity pension—

- (a) engages in—
 - (i) any business or occupation on the person's own account; or
 - (ii) employment, not being employment by virtue whereof the person is an officer receiving salary at least equal to the rate referred to in subsection (2); or
- (b) receives compensation under the *Workers' Compensation and Rehabilitation Act 2003*;

the board may suspend payment of the incapacity pension.

- (6) For the period for which payment of an incapacity pension is suspended under subsection (5) the person concerned shall not be entitled to or receive any incapacity pension from the fund unless the board directs that the person be paid for that period or such part thereof as the board determines, the whole of the incapacity pension or such part thereof as the board considers reasonable.

140 Contribution by retired incapacity beneficiaries upon re-employment

If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity benefit again becomes an officer, the period during which the person was retired shall not, for this chapter, be deemed to be a break in the continuity of his or her service as an officer, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person under this chapter.

141 Postponement of payment of refunds

- (1) Notwithstanding the provisions of section 123, 124 or 125, where a contributor, before attaining the age for retirement, ceases to be an officer by reason of—
 - (a) resignation before attaining the age of 55 years; or
 - (b) the termination of employment as an officer before attaining the age of 55 years, otherwise than on account of misconduct; or
 - (c) being retired or permitted to retire on the ground of incapacity, where the contributor has not satisfied the board as required by section 136;

and the contributor makes an election pursuant to section 191 of chapter 5 the contributor shall by reason of the contributor having made that election be deemed to have elected not to take from the fund the sums referred to in sections 123, 124 and 125.

- (2) Where an election is, pursuant to subsection (1), deemed to have been made there shall be credited in the fund on account of the elector the amount to which the contributor would have been entitled had the

contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsection (3)—

- (a) the contributor attains the age of 55 years; or
- (b) the contributor satisfies the board that the contributor suffers a permanent incapacity by reason whereof the contributor is unfit to discharge or incapable of discharging duties as an officer efficiently; or
- (c) the contributor informs the board in writing that the contributor no longer desires his or her election made under section 191 of chapter 5 to operate; or
- (d) the contributor dies;

whereupon the prescribed amount shall be paid to the contributor or to his or her legal personal representative, as the case requires.

- (3) Where a person who is deemed pursuant to subsection (1) to have elected as prescribed by that subsection again becomes a contributor the prescribed amount credited in the fund on the contributor's account under this section shall be added to the prescribed amount credited in the fund on the contributor's account under section 191 of chapter 5 and shall be applied in the manner prescribed by that section.
- (4) In subsections (2) and (3)—

prescribed amount, so far as it relates to the amount that is to be paid pursuant to subsection (2) or that is to be applied pursuant to subsection (3), means—

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election made under section 191 of chapter 5 to operate, the sums which the elector would have been entitled to be paid pursuant to sections 123, 124 and 125 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to those sums; and
 - (b) in any other case—the amount credited on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be an officer.
- (5) For purposes of subsection (4), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long-term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.

 - (a) the board may waive payment thereof wholly or in part; or
 - (b) the board may determine that any such amount not so deducted and not otherwise recovered by the board be recovered by reduction of the amount of benefit payable upon a claim made by or derived from the contributor, whereupon any such amount of contribution shall be deemed not to be due and unpaid.
- (8) Where the board has exercised the power conferred by subsection (7)(b) the benefits from the fund to which the contributor concerned or any person deriving a benefit through the contributor is entitled shall be reduced by the amount in respect of which the power is exercised and the amount of interest that would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the contributions and additional payments been duly paid.

- (12) For the purposes of subsections (7), (8), (9) and (11), the amount of any unpaid contributions and additional payments shall be the aggregate of the amount thereof due and unpaid and of interest thereon which would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.
- (13) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum of money equal to the amount of the contributions and additional payments, whether paid or in arrears, payable by the contributor under this chapter to the fund or the consolidated fund to the date of such determination accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.
- (14) Except where it is otherwise provided by this chapter, a contributor—
 - (a) shall continue to contribute as prescribed to the fund until the contributor attains the age for retirement or the contributor's employment as an officer is sooner terminated by earlier retirement, death, resignation or otherwise howsoever; and

 - (b) in respect of whom the board has made a determination under section 201(2); or

- (2) The amount of the contributions of an officer (not being an officer to whom subsection (3) relates) who became an officer on or after the commencement of the *1972 Act* or who was an officer on the commencement of the *1958 Act*, but is not a continuing contributor, which shall be paid by the officer periodically, shall be a sum calculated at the prescribed rate per centum of the amount of the officer's salary as at 30 June 1978 (or in the case of an officer who commences to contribute after that date as at the date on and from which that officer commences to contribute) varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if the officer was at that date a contributor.

- (c) where the officer was an officer to whom subsection (2) applied before the officer was retired on the ground of incapacity—of the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if he or she was at that date an officer; or
- (d) in any other case—of the amount by which the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the officer's salary as at 1 October last preceding (if he or she was at that date an officer) exceeds the

amount of the officer's salary at the time when the officer was so retired or at 31 December 1972 whichever is the earlier.

- (4) A contributor who made an election under section 24(4) of the *1972 Act* to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the *1972 Act* in addition to the rate prescribed by this chapter (other than this subsection).
- (5) A contributor who made an election under section 24(4A) of the *1972 Act* to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4A) of the *1972 Act* in addition to the rate prescribed by this chapter (other than this subsection).

- (8) Where the board has made a determination under subsection (4), (5), (6) or (7) in relation to an officer, the board may determine that, for the purpose of calculating the pension to be paid to the officer under part 3, the officer's length of service as an officer shall be regarded as being equal to the officer's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the officer accordingly.
- (9) Where the board has made a determination under subsection (4), (5), (6) or (7) upon the election of an officer and the contributor satisfies the board that payment of such additional rate of the contribution by the officer is

causing the officer undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.

- (10) Where in respect of a contributor the board, pursuant to subsection (9), cancels a determination under subsection (4), (5), (6) or (7), any determination under subsection (8) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (11) Where in respect of a contributor the board pursuant to subsection (9) varies a determination under subsection (4), (5), (6) or (7), it shall make an appropriate variation of its consequential determination under subsection (8) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (12) Except in the case of a contributor referred to in section 198, where the salary of a contributor is reduced to a rate less than the rate upon which contributions are, for the time being, calculated, the contributor shall thereupon, except as aforesaid, contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.
- (13) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.
- (14) If an officer made an election under section 24(4) of the *1972 Act* before the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974* and was a contributor at that commencement, the additional contribution under the election must be adjusted by the board as if that subsection as amended by that Act was in force at the date of the election.

- (b) in any case other than a case to which paragraph (a) applies—at a rate equal to a percentage in accordance with the following table of—

- (i) in the case of a child of a contributor who dies before attaining the age for retirement—the pension that would have been payable to the contributor if the contributor had retired and become eligible for an incapacity pension immediately before the contributor’s death;

- (3A) A child’s pension payable to a child mentioned in subsection (2A) is payable at the rate mentioned in subsection (3)(a).
- (4) However, each child who is entitled to a pension under subsection (3)(b) shall be paid a fortnightly rate of pension so that, when that rate is added to any rate of benefit to which he or she is entitled under chapter 4, the total rate payable shall be at least equal to twice the fortnightly rate of pension that he or she would have been paid had he or she been a case to which subsection (3)(a) applies.
- (5) The cases to which subsections (3) and (4) apply includes the case of a child’s pension payable immediately before the passing of the *Superannuation Acts Amendment Act 1987*.
- (6) Where a contributor or former contributor for category B benefits who had completed at least 10 years service but less than 20 years service attained the age for retirement or retired before the passing of the *Superannuation Acts Amendment Act 1984*, the child’s pension payable to a child who derives his or her entitlement through that contributor or former contributor shall, in lieu of the pension to which but for this subsection he

or she would have been entitled, be a pension calculated in accordance with the formula—

$$P = A \times \frac{B}{20}$$

where—

A means the fortnightly amount of the pension that would have been payable to the child but for this subsection.

B means the length of service (expressed in years) of the contributor or former contributor as at the time of attaining the age for retirement or retirement, whichever first occurred.

- (7) Where a contributor for category B benefits retires before attaining the age for retirement and at the time of retirement has completed at least 10 years service, a child who derives his or her entitlement to pension through that contributor is entitled to the same pension as the pension that would have been payable to him or her if the contributor had been a contributor for category A benefits.
- (8) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him or her is an entitlement to a child's pension arising on or after the passing of the *Superannuation Acts Amendment Act 1984* and before the passing of the *Superannuation Acts Amendment Act 1987* the amount of pension payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or pensioner) under this section for a period of 5 years calculated at the rate at which a pension was payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or pensioner) at the date when the entitlement to the pension in question commenced.
- (9) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him or her is an entitlement to a child's pension arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of pension payable in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of pension payable since the time when the entitlement arose) is less than the amount that would have been payable under section 185 to the relict of the person through whom the entitlement is derived, had he or she left a relict upon his or her death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.
- (10) For the purposes subsections (2)(a) to (g), (6) and (7), additional service determined by the board under section 171(8) shall be disregarded.

- (11) A child who is entitled under subsection (3)(a) or (3A) to payment of a child's pension in respect of him or her shall not be entitled to additional assurance benefit under chapter 4.
- (12) In this section—
 - relevant female pensioner* means a deceased female pensioner who—

- (3) An election under subsection (2)—
 - (a) shall be in writing furnished to the board; and
 - (b) shall be made within 3 months after the date on which the contributor so ceases to be an officer.
- (4) Where an election is duly made under subsection (2), there shall be credited in the fund on account of the elector an amount equal to the amount to which the contributor would have been entitled had the contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsections (5) and (6)—

the prescribed amount is to be applied in obtaining benefits for the person under chapter 2.

- (8) In subsections (4), (5), (6) and (7)—

prescribed amount means—

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election to operate—the sum which the elector would have been entitled to be paid pursuant to subsection (1) had the elector not made the election under subsection (2), less the amount already paid on the elector's account as benefit under subsection (1), together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to that sum less that amount; and
 - (b) in any other case—the amount credited on account of the elector pursuant to subsection (4), together with interest for the period since the date on which the elector ceased to be an officer.
- (9) For the purposes of subsection (8), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long-term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.
 - (10) In the event of the death, before attaining the age for retirement, of a contributor whose death does not give rise to an entitlement under division 2 or 3 or under subsection (12) the board shall pay a sum equal to the total amount of the contributor's contributions to the fund under this chapter and any payments made by the contributor to the consolidated fund, such contributions or payments being accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound, to the legal personal representative of the contributor or,

if the board considers it desirable to do so, to another individual as the board may determine.

- (11) For the purposes of subsections (1) and (10) a contributor who, before the passing of the *Superannuation Acts Amendment Act 1989*, had made payments to the State Service Superannuation Additional Benefits Fund, which fund was abolished by that Act, shall be deemed to have made those payments to the consolidated fund.

- (13) Where the contributor is a continuing contributor entitlements under this section are in addition to entitlements (if any) of or in relation to the contributor under chapter 4.
- (14) For the purposes of subsection (3) additional service determined by the board under section 171(8) shall be disregarded.

 - (a) if the June index for year 1 is higher than the June index for the financial year before year 1 (***year 0***), the pension must be increased by the amount calculated under the following formula—
$$\frac{I\% \times M \times B}{12}$$
 - (b) otherwise, the pension remains the same.

Division 7 General provisions as to pensions

194 Duration of pensions

Except as otherwise expressly provided, a pension under this chapter is payable during the life of the pensioner, and is payable as from the date of the death or retirement by virtue of which it becomes payable.

195 Time and manner of payment of pensions

Pensions shall be paid in fortnightly instalments or if so determined by the board, periodically at other intervals.

196 Payment to person other than the beneficiary

- (1) Where in the opinion of the board payment of any pension, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly and the receipt of that person is a complete discharge to the board for the amount so paid.
- (1A) Subsection (1) does not apply to an eligible death benefit payable to a person under rule 64 of the division rules in Schedule 2 to the Deed.
- (2) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—
 - (a) waive repayment; or
 - (b) allow repayment to be made on such terms as the board thinks just;of the whole or any part of that excess payment or may write off the whole or any part thereof, if, in the opinion of the board, its repayment would cause undue hardship or the enforcement of the repayment thereof would be inequitable.
- (3) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

197 Commencement of benefits

Subject to this chapter, where in pursuance of this chapter any officer becomes liable or elects to contribute for any pension benefits or additional such benefits the officer shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before he or she has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by him or her in respect of those benefits or additional benefits.

198 Provision for incapacity entitlement of contributor reduced in salary by redeployment

- (1) Where a contributor's salary is reduced as a consequence of action taken by the contributor's employer for redeployment of the contributor, which, in the board's opinion, is due to the incapacity of the contributor, then, if

the board so approves and subject to such conditions as the board in its absolute discretion may determine, the contributor shall be deemed to be in receipt of salary at the rate that would be payable to the contributor had the contributor remained in the position held by the contributor as an officer immediately before the contributor's redeployment.

- (2) The board may determine that a contributor, such as is deemed to be in receipt of salary as prescribed by subsection (1), is entitled to payment of incapacity pension at a rate and for a period determined by the board but not exceeding the rate of incapacity pension to which the contributor would have been entitled had the contributor retired on the ground of incapacity immediately before the date of the contributor's redeployment.

199 Entitlement to receive incapacity pension

Before a person—

- (a) who is retired or permitted to retire as an officer by reason of incapacity; or

- (2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the payment to the person of incapacity pension until the person remedies the default to its satisfaction.

201 Failure of incapacity pensioner restored to health to resume employment affects entitlement

- (1) If in the opinion of the board the health of any person who is in receipt of incapacity pension and who has not attained the age for retirement has been restored to such an extent as to enable the person to perform duties as an officer efficiently, the board shall so inform the person, body or authority by whom that person is or was employed as an officer, to the intent that the person, body or authority so informed shall—

- (a) in the case of the person in receipt of incapacity pension being absent from duty with leave of absence without salary—instruct that person to resume employment with the person, body or authority forthwith; or

 - (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity pension at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity pension and the person fails to accept that employment;
- the board may cancel that person's incapacity pension and thereupon it shall cease to be payable.
- (3) Where the board cancels a person's incapacity pension it shall forthwith inform the person in writing of the cancellation.
 - (4) Where a person's incapacity pension is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions accumulated from 1 July 1990 at the net earning rate of the fund compound to the fund less an amount certified by the actuary to be attributable to the provision of incapacity pension.
 - (5) Subsection (4) shall not be construed to prevent a person whose incapacity pension has been cancelled under subsection (2) or any other person claiming through the person from becoming entitled to any benefits for which that person contributes to the fund after the person has again become an officer and a contributor.

202 Incapacity pension may be suspended

- (1) If at any time it appears to the board that any person who is in receipt of incapacity pension—
 - (a) engages in—
 - (i) any business or occupation on the person's own account; or

(ii) employment, not being employment by virtue whereof the person is an officer receiving salary at least equal to the rate referred to in section 201(2); or

203 Contribution by retired incapacity pensioners upon re-employment

If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity pension again becomes an officer, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

204 Right to prepay contributions

- (1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.
- (2) Where a contributor who elects to retire at any time within the period of 10 years immediately preceding the day on which the contributor would attain the age for retirement, has commuted wholly or in part any contributions under the division rules attributable to any period after the date of the contributor's retirement the contributor is, in addition to any entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contribution as is determined by the actuary and approved by the board.

- (2) A person who is or was prior to his or her retirement a continuing contributor is not entitled to elect under subsection (1) to convert into a lump sum payment his or her entitlement to an incapacity pension under this chapter unless he or she also elects to convert into a lump sum payment the whole of his or her entitlement to incapacity benefit under chapter 4.
- (3) A contributor who, after the commencement of the *1972 Act*, made an election under section 171(4) that has not been cancelled may not make an election under this section in relation to any part of the contributor's pension entitlement under this chapter unless the contributor has contributed in accordance with that subsection for not less than 5 years before such pension entitlement arises or would have been so contributing but for a commutation of contributions pursuant to section 204.

 - (d) shall, in any case, be made by notice in writing given to the board (the *contributor's notice of election*).
- (6) In the case of an election under this section made in respect of a pension entitlement, other than an entitlement to an incapacity pension, the notice of election shall specify the percentage of the elector's pension entitlement that the elector desires to convert into a lump sum.

211 Rectification of contributor's status falsely induced

- (1) Where a person has been accepted as a contributor for category A benefits and it subsequently appears to the board that the contributor has suppressed or failed to fully disclose information concerning the contributor's health or physical condition, the board may determine—

 - (b) where she is no longer a contributor—that she be deemed never to have made additional contributions payable under section 172 but to have always been a contributor for the benefits for which she was contributing at the time she made the election.
- (3) A person in respect of whom the board's determination is made under subsection (1) shall become and be or, as the case may be, shall be deemed to have been a contributor for category B benefits according to the tenor of the board's determination.

 - (a) recover from him or her by action in a court of competent jurisdiction as a debt due and owing to the board the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and

- (b) deduct from moneys that may at any time become payable under this chapter to or on account of him or her the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and
- (c) in the case of a pensioner—
 - (i) order that his or her pension be cancelled forthwith (whereupon his or her entitlement to a pension under this chapter shall cease) and, if he or she is no longer a contributor, may further order—
 - (A) that no other payment, to which he or she would be entitled under this chapter if the further order had not been made, be made to him or her or on his or her account; or
 - (B) that any other such payment be made to him or her or on his or her account only to an extent determined by the board;

(whereupon his or her entitlement under this chapter to any other such payment shall cease or, as the case may be, be reduced accordingly); or
 - (ii) order that his or her pension be reduced forthwith to a rate determined by the board (whereupon his or her entitlement under this chapter to a pension shall be reduced accordingly);

and any such order shall be given effect and complied with.

- (6) The provisions of this section apply in respect of a person who at the passing of the *Superannuation Acts Amendment Act 1984* has ceased to be a contributor as well as in respect of a person who at such passing is or thereafter becomes a contributor.
- (7) Where a determination referred to in subsection (2)(a) has been made the contributor or, if she has died, her legal personal representative shall be entitled to a refund of additional contributions paid by her under section 172 accumulated at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

- (2) Where such a provision relates to a contributor who has retired and has been re-employed, the contribution shall, subject to the express provisions of this chapter, be calculated only from the date of the last re-employment of the contributor.

213 No interest on certain payments

- (2) Where, at the time when a member of the police force becomes a contributor, he or she has attained the age of 35 years, but is under the age of 55 years, he or she shall contribute to the fund—
 - (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her salary falls; or
 - (b) if the sum specified in paragraph (a) exceeds the rate of $5\frac{3}{4}\%$ of his or her salary—such sum (being a sum which will provide units of benefits to a number specified in the said scale) not less than $5\frac{3}{4}\%$ of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the date on which he or she becomes a contributor, elect to contribute.

- (c) if the member of the police force has attained the age of 55 years—he or she may, subject to paragraph (d), elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this chapter to a number not exceeding the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group in which his or her increased salary falls, but unless he or she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled, save as provided by section 219, or required to increase his or her contribution by reason of such increase in salary;
- (d) a member of the police force to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted under that paragraph to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in

excess of the number prescribed in relation to that increase by such scale;

- (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her increased salary falls.
- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—
- (a) upon which the contributor's salary is increased; or
 - (b) from which the contributor's salary is increased, whichever is the later.
- (5) Any increased contribution payable in pursuance of subsection (3)(c) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of a member of the police force falls within the salary group 'exceeding \$450.20' set out in column 1 of the scale contained in schedule 16, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in schedule 16 opposite to the salary group 'exceeding \$450.20' in column 1 of that scale—
- A* denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.
- (8) For the purposes of contributions for units of benefits by members of the police force in accordance with the scale contained in schedule 16, the salary of every member who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 of the said scale opposite to the number in column 2 of the said scale that was the number specified in column 2 of the scale contained in schedule 17 opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this chapter shall apply accordingly.

Editor's note—

Police Superannuation Act Amendment Act 1970 commenced 4 January 1971 (see 1970 No. 37 s 2).

219 When member of police force may voluntarily increase contribution

- (1) Any member of the police force who is not contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
 - (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the police force making the election falls; and
 - (b) the number thereof for which such member of the police force is contributing.
- (3) Unless exempted by the board therefrom a member of the police force shall, before at any time increasing the amount of his or her contribution to the fund under this section, be medically examined at his or her own expense by a medical practitioner.
- (4) A member of the police force shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.
- (5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the member of the police force making the election.

220 Power to board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt a member of the police force wholly or partly from the requirement imposed upon him or her by this chapter to contribute, or at any time to increase the amount of his or her contribution, to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by a member of the police force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that member of the police force shall, unless the board wholly or partly exempts him or her from so doing, pay to the fund the contribution or increased contribution then required in his or her case by this chapter.

- (3) When the board does not specify the period for which it defers the contribution, or any increased contribution, required by this chapter to be paid by a member of the police force, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts him or her from so doing, the member of the police force concerned shall pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (4) In the case of any member of the police force (including a member of the police force to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in his or her case by this chapter, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason which the board deems adequate he or she should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which he or she is contributing.
- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1¼% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
 - (a) in a case where the contributor is contributing under section 219 for units of benefit—those units if the contributor nominates those units as the units to be surrendered; or
 - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

221 Member reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in schedule 16 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of

5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.

- (2) A contributor electing under subsection (1) shall surrender first the unit or units for which he or she last began to contribute.
- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under subsection (1) respectively of sections 235, 237 and 240.

222 Units of benefits to be contributed for in equal numbers

At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of 1 such benefit than of another.

223 Period for which contributions are to continue

- (1) A member shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay period last preceding the day on which—
 - (a) he or she ceases to be a member; or
 - (b) he or she attains the age for retirement; or
 - (c) his or her service as a member, ascertained as prescribed by section 289 of chapter 7 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or other absence from duty.

- (2) Where absence from duty referred to in subsection (1), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) a contributor shall, unless the contributor elects pursuant to subsection (3) in addition to continuing to contribute to the fund as provided by subsection (1), pay to the consolidated fund for the period, an amount determined by the Treasurer.
- (3) A contributor who would be required to pay amounts to the consolidated fund under subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
 - (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of the contributor's absence; and

- (b) the board shall waive the additional payments to the consolidated fund that would be required by subsection (2) to be made by the contributor; and
 - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where a contributor is absent from duty without pay or at less than full salary, the board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the fund in such manner as respects periodical amounts or times of payment, or both, as the board approves.
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make additional payments to the fund in respect of a period of absence from duty—
 - (a) shall, before commencing the period of absence, pay to the fund the total amount of contributions and payments that the contributor is so required to pay; or
 - (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

224 Refund of excess contributions

Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

- (2) The number of reserve units respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit for which a contributor may elect to contribute at any time pursuant to subsection (1) together with the number of reserve units in respect of which he or she has already made an election under that subsection shall not exceed 12.

- (5) A member of the police force shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.

228 When reserve units become ordinary units of benefits

Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under the provisions of this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with the appropriate rates of contributions applicable to the particular case under this chapter, the

additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which the contributor is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in the scale contained in schedule 16 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such member of the police force is contributing;

shall cease to be reserve units to which this division applies and shall become units of benefits for which the contributor is contributing under the provisions of this chapter (other than this division) the contribution for which shall continue to be the contribution that the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

229 Contributor may discontinue contribution for reserve units

A contributor who is contributing for 1 or more reserve units of benefits may, subject to section 222, elect to discontinue his or her contributions in respect of all or any of those units in which case he or she shall be paid from the fund the sum equal to the aggregate of all amounts paid by him or her in respect of units or annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or her contributions accumulated at the rate of 1¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

230 Benefits payable on reserve units

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division, the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in column 1 of the scale contained in schedule 16 in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining this age and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be a member on attaining the age for retirement.

- (2) Notice of election under subsection (1) shall be lodged with the board—
 - (a) in the case of a contributor retired by reason of incapacity from his or her employment before attaining the age for retirement—before the expiration of a period of 1 month commencing on the date of his or her retirement; or
 - (b) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age for retirement or retires from service by reason of an election referred to in section 234(2)(d), as the case may be.
- (3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her legal personal representative or other individual approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age for retirement leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits).

 - (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or attainment of the age for retirement or retirement from service by reason of an election referred to in section 234(2)(d)—such amount as shall be determined by the actuary and approved by the board; or

- (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.

2 or more children	\$3.84 per fortnight divided by the number of children in respect of each child.

- (2) However, each child who is entitled to additional assurance benefit under subsection (1)(b) shall be paid a fortnightly rate so that, when that rate is added to any rate of pension to which the child is entitled under chapter 7, the total rate payable shall be at least equal to twice the rate that the child would have been paid had the child been a case to which subsection (1)(a) applies.

- (6) Where by reason of the death of a contributor or a pensioner the only entitlement derived through the contributor or pensioner is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of the benefit paid in respect of the child or, where there are more than 1 child who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of benefit payable since the time when the entitlement commenced) is less than the amount that would have been payable under section 239 to the widow of the person through whom the entitlement is derived, had the person left a widow upon the person's death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

- (12) Except where it is otherwise provided by this chapter, a contributor—

- (5) Where by reason that a member becomes a contributor on or after the commencement of the *Police Superannuation Acts Amendment Act 1977* and after the member has attained the age of 20 years, the length of the member's service, ascertained for the purposes of calculating the pension to be paid to the member under this chapter if the member attains the age for retirement, will not amount to 40 years, the member may elect within a period of 2 months after the member becomes a member to increase the rate of the member's contribution and the board may determine that the additional rate over and above the contributions that, but for this subsection, would have been payable by the member shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate that, having regard to the fact that payments by the Crown will be in relation only to contributions by the member that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the member under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (7) but not exceeding 40 years, and thereupon the member shall be deemed to be

required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

- (6) A member who made an election under section 24(5) of the *1974 Act* to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the *1974 Act* in addition to the rate prescribed by this chapter (other than this subsection).
- (7) Where the board has made a determination under subsection (4), (5) or (6) in relation to a member, the board may determine that, for the purpose of calculating the pension to be paid to the member under part 3, the member's length of service as a member shall be regarded as being equal to the member's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the member accordingly.
- (8) Where the board has made a determination under subsection (4), (5) or (6) upon the election of a member and the contributor satisfies the board that payment of such additional rate of the contribution by the member is causing the member undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.
- (9) Where in respect of a contributor the board, pursuant to subsection (8), cancels a determination under subsection (4), (5) or (6), any determination under subsection (7) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
- (10) Where in respect of a contributor the board pursuant to subsection (8) varies a determination under subsection (4), (5) or (6), it shall make an appropriate variation of its consequential determination under subsection (7) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
- (11) Despite subsections (1) and (2), if the salary of a contributor is reduced, the contributor shall thereupon contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any

period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.

- (12) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

- (2) The additional rate of contribution payable by the member continues to be the rate decided by the board under section 24A(3) of the *1974 Act*.

304 Payment to person other than the beneficiary

- (1) Where in the opinion of the board payment of any pension, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly and the receipt of that person is a complete discharge to the board for the amount so paid.
- (2) This section does not apply to an eligible death benefit payable to a person under rule 64 of the division rules in Schedule 2 to the Deed.

305 Excess payments

- (1) Where a person has received a payment under this chapter or the *1968 Act* and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—
 - (a) waive repayment; or
 - (b) allow repayment to be made on such terms as the board thinks just;of the whole or any part of that excess payment or may write off the whole or any part thereof, if, in the opinion of the board, its repayment would cause undue hardship or the enforcement of the repayment thereof would be inequitable.
- (2) Where a person has received a payment under this chapter or the *1968 Act* and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

306 Commencement of benefits

Subject to this chapter, where in pursuance of this chapter any member becomes liable or elects to contribute for any pension benefits or additional such benefits the member shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before the member has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by the member in respect of those benefits or additional benefits.

307 Proof of continued incapacity

308 Incapacity pensioner restored to health may be recalled to service

- (1) If, in the opinion of the board, the health of any person who has been retired, by reason of incapacity, from employment as a member, who is in receipt of incapacity pension and who has not attained the age for retirement, has become so restored as to enable the person to perform in the opinion of the board duties as a member, the board shall so inform the commissioner of the police service with a view to employment as a member being found for such person.
- (2) If employment as a member is offered to the person at a rate of salary at least equal to the rate of salary then payable in respect of the rank held by the person at the time he or she became eligible for the incapacity pension in question and the person fails to accept that employment the board may cancel the incapacity pension and thereupon it shall cease to be payable.
- (3) Upon the cancellation pursuant to this section of the incapacity pension payable to any person, neither that person nor any other person claiming through the person, either immediately or at any future time, shall have any right or claim to any payment or, as respects incapacity pension further payment, from the fund in respect of any contributor's pension, incapacity pension, relict's pension or child's pension in respect of which the person was contributing to the fund when the person retired save that such person shall be paid from the fund a sum of money equal to the total amount of the person's contributions to the fund less such amount thereof as the actuary certifies is attributable to the provision of incapacity pension.

309 Incapacity pension may be suspended during employment

If a person who has been retired, by reason of incapacity, from employment as a member and who is in receipt of incapacity pension again becomes a member, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the member shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

311 Right to prepay contributions

- (1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

340 Members' superannuation benefit

- (1) Subject to this chapter a person who has received salary as a member (either after or partly before and partly after the commencement of the repealed Act)—
- (a) for an aggregate period of 11 years or more; or
- (b) for an aggregate period of 8 years or more and ceases to be a member as the result of defeat at an election or, being a representative of a recognised political party, as the result of not standing for re-election by reason that such party has not selected the person to so stand or as the result of a resignation matter to be decided by the board after consulting with the Parliamentary Benefits Committee;

shall, on ceasing to be a member and to be entitled to payment of salary, be entitled to be paid out of the fund an annual pension at the rate ascertained in accordance with the formula—

$$A \times \frac{B}{C}$$

- (2) In subsection (1)—

A means an amount determined by multiplying the basic salary in force immediately prior to the time at which he or she ceased to be a member by the value—

the symbol 't' having a value of 240 or a less number, being the number of complete months during which the member received salary as a member.

$$.5 + \left[\frac{.025}{12} \times (t - 96) \right]$$

B means the total salary received by that person.

C means the total basic salary in respect of the period of service of that person in the Assembly.

- (3) However, if the person has received salary as a member for an aggregate period of more than 20 years and the number worked out under subsections (1) and (2) by dividing factor B by factor C (the *actual number*) is less than the highest number that would have been worked out under the subsections by dividing factor B by factor C had the person ceased to be a member at any time after completing 20 years service in the Assembly, the actual number is taken to be the highest number.
- (4) Subject to subsection (7) and section 343, a person who—
 - (a) ceases to be a member (other than because of death); and
 - (b) is not entitled to a pension under this chapter;
 is entitled—
 - (c) if the person ceases to be a member because of a result mentioned in subsection (1)(b)—to an amount equivalent to $3\frac{1}{3}$ times the relevant deductions; or

- (5) Subsection (6) applies in relation to—
 - (a) a member who has died while serving as a member and in respect of whom no entitlement under section 346, 347, 349 or 350 has arisen; and

- (6) Subject to this chapter, the legal personal representative of a member or former member in relation to whom this subsection applies or other person approved by the board shall be entitled to be paid—
 - (a) for a member, under 70 years, who died before completing 8 years of service as a member—the amount calculated using formula 'A' mentioned in section 346(1)(a); or

- (b) for a member, under 70 years, who died on or after completing 8 years of service as a member—the amount calculated using formula ‘A’ mentioned in section 346(1)(b); or
 - (c) for a member who died at 70 years or more and had completed less than 8 years of service as a member before the member’s 70th birthday—the amount that would have been payable to a widow of the member, under section 347(3), if the member was a new member; or
 - (d) for a member who died at 70 years or more and had completed 8 years or more of service as a member before the member’s 70th birthday—the amount that would have been payable to a widow of the member, under section 347(8), if the widow had made an election under section 347(7) on the day of the member’s death; or
 - (e) in the case of a former member—a sum in accordance with the formula in section 346(1)(c) except that, for the purposes of this paragraph, the factor E represents a factor determined by an actuary and approved by the board having regard to the average age, at nearest birthday, of widows (be they female or male, as the case requires) of persons whose age, at nearest birthday, was or would have been that, at nearest birthday, of the former member at the date of the member’s death.
- (7) If—
- (a) a payment has been made to a person under subsection (4); and
 - (b) the person becomes entitled to a pension under subsection (1) or section 344;

then the pension must be suspended, and may not be converted to a lump sum entitlement, until the payment, escalated to the present value of the payment as determined by the actuary, is repaid to the fund in one of the ways decided by the board, on the advice of the actuary, and agreed to by the person.
